Commercial Usage License

Name of Bundle: **World Music Day Giveaway-Royalty Free Bundle**

Publishers: **Andrey Sitkov & Q Up Arts**

Vendor: **Fanatical.com**

This bundle is sold as a royalty free package with a licence that allows the customer to use the content that they then create, in commercial or private projects as below:

A Licence grants to the Buyer a non-exclusive and non-transferable lifetime worldwide rights to use music assets in multimedia projects like online videos (also YouTube), websites, animations, games, films, etc.

1. Purchasers can use assets in their own personal use and commercial projects.

2. A Licence does not allow the Buyer to:

I) claim seller's music as own;

II) register and sell music in any store/platform;

III) redistribute and sublicense music assets other than as part of the relevant project.

Number of users or devices supported: 1 user. Allows for multiple installations as long as the different machines belong to the same user.
